Trading Hut: John reported that turnover was down. He had ordered less stock, there had been less waste.

Posbrook: 2 waiting - one evicted.

Some interest in having bees. Hedge on Posbrook Lane and Coach Hill needs to be faced and topped.

Sarisbury Green: 9 waiting.

Waterboard changed a stopcock. There has been unwanted fly tipping of tree chippings. A quote for 2 double bays to store wood chippings was considered. An alternative quote to be obtained before a decision is made by committee.

Hunts Pond Road: 13 waiting.

This year's honey was very good. A lot of phone calls were made to get plot holders to clear a 1 metre gap at the boundary. Strawberry bags had been delivered. Two young trespassers were followed home and their address was given to the police - no known outcome. The mowers were being badly used - a new plan needed. The southern fence with the recreation ground will cost approx. £1400 to replace with weldmesh. FBC will pay for the hedging.

Lodge Road: no report.

Warsash: 5 waiting. Neighbour had complained to Council about the manure heap, this now reduced in size. In future the size will be monitored.

Allotment Watch: no contact with FBC re launching - past reports were considered.

Constitution: this will be sent out with the rent forms.

Risk Assessments: previous general form will soon be ready.

Meeting ended 10.00 pm.
